1. This is the now and I'm so pleased with the now; the now that recognizes me as/in me, the me that I am, **the body that I wear, now**; incarcerated not/incarcerated, and who can see the new me birthed, brought forth, from the seed of me in me, in you? Am I speaking to one only one? One that **many** consists of. Thank you.
2. This is the day, elemental not; thou carriest all things on your shoulders, not; government, leadership, oneness revealed; directing, not; giving all. I love all.
3. Churches, yes; freedom houses, yes; thou art the prophet of old, young, alike; one.
